**Information on IEEE WGs 1900.1, 1900.2, 1900.3 and 1900.4 and Study Group A:**

- Project Authorization Requests (PARs) which describe the work of the Working Groups may be found at:  
<http://standards.ieee.org/board/nes/1000-1999.html>  
Click on P1900.1 (Terminology), P1900.2 (Interference and Coexistence Analysis), P1900.3 (SDR Conformance Evaluation), P1900.4 (Architectural Building Blocks)
- For general information on the IEEE 1900 Committee and its Working Groups please see:  
<http://www.ieeep1900.org>

**Meeting Fee:** \$150.00 payable via the registration page

**Registration:** The URL for registration is at: <http://www.ieee-dyspan.org/Registration.html>

**Points of Contact:**

Stephen Berger, TEM Consulting  
Chair, IEEE WG 1900.2  
512-864-3365; [stephen.berger@ieee.org](mailto:stephen.berger@ieee.org)

Jim Hoffmeyer, Western Telecom Consultants  
Chair, IEEE WG 1900.1  
303-931-3840; [jhoffmeyer@ieee.org](mailto:jhoffmeyer@ieee.org)

**Response Requested:**

Please contact one of the above to confirm your attendance at these the IEEE 1900 Plenary or Working Group meetings. Early responses are encouraged.

**Technical Presentations:**

Technical presentations related to the WG topics are welcome. Contact one of the above if you would like time on the agenda to make a presentation.

**Future IEEE 1900 Plenary Meetings:**

23 -26 July, 2007; Boulder, Colorado USA;

3 -6 December 2007; Berlin, Germany

**Future IEEE 1900 Working Group Meetings:**

Please check the IEEE 1900 web page <http://www.ieeep1900.org>  
Click on future meetings which are update regularly.

**Hotel Information:**

See DySPAN 2007 Conference Web Page: <http://www.ieee-dyspan.com/2007/>
